

Appl. No. 10/735,220  
Amdt. Dated May 28, 2005  
Reply to Office Action of April 20, 2005

**REMARKS/ARGUMENTS**

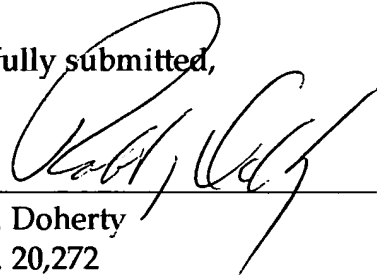

The claims rejected in the initial April 20, 2005 Office Action, namely, Claims 1 - 4 and Claims 8 - 10, have been canceled.

The remaining claims, namely, Claims 5 - 7 were allowed in the initial Office Action, and those claims remain in the application.

The drawings were objected to as the line 10-10 was not shown in Fig. 6. Accordingly, a new replacement sheet on which Fig. 6 is present is submitted herewith. Also included is a replacement sheet for the sheet on which Fig. 10 appears is submitted to more consistently represent the cross-sectional appearance of the drawings. The replacement drawings present no new matter and are believed in compliance with the formal requirements. It is requested that such be formally accepted by the Examiner.

It is believed that the application is in proper form, and the formal allowance of claims 5 - 7 and passing the application to issue is urged.

Respectfully submitted,

Robert J. Doherty
